

## **RESOLUTION**

---

**ADOPTING A REVISION TO THE PUBLIC INFRASTRUCTURE MAP FOR THE NORTH SHORE SUSTAINABLE COMMUNITIES PLAN AREA, NORTH SHORE, OAHU, HAWAII.**

WHEREAS, the Public Infrastructure Map ("PIM") for the North Shore Sustainable Communities Plan area was adopted by Resolution 00-265, FD1; and

WHEREAS, acquisition of the land for the development of a city parking facility has been proposed on the parcel designated by TMK: 6-2-005:002, as shown in Exhibit A; and

WHEREAS, the acquisition of land for and construction of a city parking facility would complement the development of the Haleiwa walkway project by replacing public parking which will be lost due to the project; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu, 1990, as amended, requires a major public facility, including a city parking facility, to be shown on the appropriate public infrastructure map for a development plan area before the City Council may appropriate land acquisition or construction funds for the facility; and

WHEREAS, the Council finds that the placement of a parking facility symbol on the North Shore Sustainable Communities Plan area PIM is necessary to fund the acquisition of the land for and construction of a parking facility at TMK: 6-2-005:002; and

WHEREAS, the Council further finds that the project is consistent with the General Plan, the North Shore Sustainable Communities Plan, and the appropriate functional plans; now, therefore,

**BE IT RESOLVED** by the Council of the City and County of Honolulu that the Public Infrastructure Map for the North Shore Sustainable Communities Plan area be revised to add a parking facility symbol ("PKG") as shown in Exhibit A; and

**BE IT FURTHER RESOLVED** by the Council that the parking facility symbol shall be deleted from the Public Infrastructure Map by administrative procedure once completion of the project has been certified in writing by the applicant/agency to the Department of Planning and Permitting and the Council; and
